### Newsletter No 4

Dear readers of our newsletter for the 13th Nuremberg Forum, in our fourth newsletter, we are pleased to introduce our first keynote speaker,

#### **Prof. Dr. h.c. Bhai Sahib Mohinder Singh**

Bhai Sahib Mohinder Singh, a prominent spiritual leader and humanitarian, has dedicated his life to promoting peace, compassion, and interfaith dialogue. He is the Chairman of Guru Nanak Nishkam Sewak Jatha (GNNSJ), a faith-based organization dedicated to selfless service, community welfare, and spiritual development. Under his leadership, GNNSJ has initiated numerous projects that address social, educational, and health needs across the globe.

Bhai Sahib Mohinder Singh's work is deeply rooted in the principles of Sikhism, particularly the values of seva (selfless service) and sarbat da bhala (welfare of all). His efforts have significantly contributed to fostering harmony and understanding among different faith communities. Recognized globally for his contributions to peace and social justice, he has been honored with several awards and accolades, including the title of Professor and an honorary doctorate for his humanitarian work.

A key focus of Bhai Sahib Mohinder Singh's work lies in interfaith engagement and sustainability. He advocates for the integration of spiritual and ethical dimensions into sustainable development practices. His philosophy emphasizes that true sustainability encompasses not only environmental and economic aspects but also spiritual and ethical well-being.

In his keynote address, Bhai Sahib Mohinder Singh will share insights on the role of spirituality in achieving global sustainability. He will explore how spiritual principles can inspire individuals and communities to adopt more sustainable lifestyles. His talk will delve into the transformative potential of inner development, highlighting how cultivating values such as compassion, humility, and self-discipline can lead to sustainable and harmonious living.

Furthermore, Bhai Sahib Mohinder Singh will discuss practical approaches to embedding spiritual and ethical considerations into policy-making and community initiatives. He believes that by fostering inner growth and spiritual awareness, individuals can overcome personal and societal barriers to sustainability.
